The original collr containing the G.O. of the 16th May 1908 issuing revised rules regarding the supply of clothing to menials of Govt Offices was returned yesterday from the Dewans Office and is submitted. From that Collection, it will be found that the draft Rules were passed by the Retrenchment Committee after comparing with those obtaining on the subject in the Madras and Bombay Presidencies, and also taking into consideration the practice which was in force in Mysore previously. In the Madras Presidency, only selected peons in selected offices at the Head Quarters who are in constant attendance on high officers or in frequent and close contact with respectable public were supplied with clothing, while in the Bombay Presidency, it is issued to almost all office menials both in the Presidency Town and in the mofussil, and combining the above principles, draft Rules were framed in Mysore, extending the concession to a larger number of offices at the Head Quarters (Bangalore) the menials of which were to be supplied with free clothing on a more liberal scale. The principles adopted in framing these rules have been enumerated in para 4 of the Govt Order of the 16th May 1908, sanctioning these, but they appear to have

been relaxed in regard to white clothing in respect of certain offices as will be seen from Rule I of Appendix A which gives light clothing to all permanent peons doing orderly duty in the Provincial offices or offices of Heads of Deptts. Note 6 under Rule I proposed by the ~~Secretariat~~ Retrenchment Committee specifically states that a lump sum grant of Rs 6/- per head may be sanctioned to the menials now in receipt of Clothing, of Victoria Hospital, and Rs 5/- to those of the Lunatic and Leper Asylums Govt Eye Infirmary, Maternity Hospital and Vaccine Institute, as the servants and attendants of these institutions (located at Bangalore) should present a neat and clean appearance on more than one consideration. These mistrys appear to have been specifically mentioned apparently because they are none of them Provincial offices or offices of Heads of Depts. The words in the brackets have however been omitted in the G.O. actually ~~act~~ issued, but they appear to be the basis for including these last named mistrys and for ~~not~~ having not extended the concession of free clothing to the menials of the offices or mistrys in the Mofussil, as in

5 There is a great deal to be said in favour of issue of white clothing to the menials employed in the Gl Hospital which is a ~~ground~~ institution likely to become more important with the construction of the new building. Moreover, the fact that free clothing is issued to the menials of similar institutions such as the Victoria Hospital, Vaccine Institute, the Lunatic Asylum & the Eye Infirmary makes the present request quite reasonable. The only difference between them is that they former are situated at Bangalore & the latter at Mysore & this is not, in itself enough to deny the free clothing to the peons of the Gl Hospital.

6. Fresh expenditure is of course involved in the proposal & it may also be argued that the granting of this request

Paper under disposal

On the application of Lieut. Col. T.H.Foulkes, the Senior Surgeon has recommended the supply of free clothing to 23 menials of the General Hospital, Mysore at a cost of Rs. 138, on the same scale as obtains in the Victoria Hospital, Bangalore.

Pages 10 – 11 of the office notes

2. The Financial Secretary first objected to the proposal on the ground that it had reference to appearance only and not to any essential part of the work of affording medical relief.

Page 11 of the office notes

3. The Second Member, however, disagreed with the opinion of the Financial Secretary, and supported the proposal.

Page 13 of the office notes

4. The matter was considered at a Meeting of the Council. The Council is of opinion that a sum of Rs.100/ may be placed at the disposal of Colonel Foulkes for one year, for the supply of free clothing to as many of the menials of the General Hospital as possible.

Page 14 of the office notes

5. The Financial Secretary has acquiesced in the above opinion, provided reappropriation is suggested in the Medical Budget.

6. Under these circumstances, I recommend the proposal contained in the Council's opinion for the gracious sanction of His Highness. The charge will be provided for in the Medical budget for 1914-1915, in case reappropriation is found not possible during the current year.
